GEM KIDS ACADEMY

SELECTIVE DIAGNOSTIC PERFORMANCE REPORT

Student Name: Aishini Vuppala
Student ID: Gemexam001
Year Level: Year 6
Test Date: 2026-04-10
Assessment: Selective Full-Length Practice Test
Mode: Online (Gem Exam Portal)

Your Profile Score	Gender Rank	Overall Rank

Student Test Performance Benchmarking

Reading

50% of students who sat the test	25% of students who sat the test	15% of students who sat the test	10% of students who sat the test

30 OUT OF 30

In Reading, Aishini Vuppala performed in the lower 50% of same-gender students and the lower 50% overall.

Mathematical Reasoning

50% of students who sat the test	25% of students who sat the test	15% of students who sat the test	10% of students who sat the test

17 OUT OF 30

In Mathematical Reasoning, Aishini Vuppala performed in the lower 50% of same-gender students and the lower 50% overall.

Thinking Skills

50% of students who sat the test	25% of students who sat the test	15% of students who sat the test	10% of students who sat the test

29 OUT OF 40

In Thinking Skills, Aishini Vuppala performed in the lower 50% of same-gender students and the lower 50% overall.

Writing

50% of students who sat the test	25% of students who sat the test	15% of students who sat the test	10% of students who sat the test

14 OUT OF 25

In Writing, Aishini Vuppala performed in the lower 50% of same-gender students and the lower 50% overall.

Test Overview

This assessment is designed to closely reflect the NSW Selective High School Placement Test in structure, difficulty, and time pressure. Results are analysed using Gem Kids Academy benchmarking standards to provide a clear view of current performance, strengths, and next steps.

Reading

Score: 30 / 30

Accuracy: 100%

Performance Level: **Excellent**

What this means
Aishini Vuppala demonstrates reading comprehension ability with good understanding of explicit and implicit information.

Strengths
Reading is currently a standout strength and competitive asset. Strong ability to identify key ideas and supporting details.

Area to Improve
Handling more complex passages under time pressure.

Recommended Focus
Regular timed reading practice with inference-heavy passages.

Mathematical Reasoning

Score: 17 / 30

Accuracy: 62.86%

Performance Level: **Sound**

What this means
Aishini Vuppala shows mathematical reasoning ability across multi-step problem solving.

Strengths
Mathematical Reasoning shows solid foundations with room to grow further. Solid numeracy skills and structured problem solving.

Area to Improve
Mathematical Reasoning should be prioritised in the next study cycle. Minor calculation slips under pressure.

Recommended Focus
Timed drills and answer-checking habits.

Thinking Skills

Score: 29 / 40

Accuracy: 72.5%

Performance Level: **Strong**

What this means
Aishini Vuppala has developing logical reasoning and pattern recognition skills.

Strengths
Thinking Skills is performing strongly with good consistency. Good standard logic question performance.

Area to Improve
More complex and unfamiliar reasoning sets.

Recommended Focus
Higher difficulty puzzle and reasoning exposure.

Writing

Score: 14 / 25

Performance Level: **Needs Improvement**

What this means
Aishini Vuppala's writing is structured and relevant, with room to improve depth and sophistication.

Strengths
Writing remains an important growth opportunity. Clear structure and stays on topic.

Area to Improve
Writing should be prioritised in the next study cycle. Idea expansion and stronger vocabulary.

Recommended Focus
Planning techniques and deeper paragraph development.

Overall Performance Summary

Overall Score: 62.34%
Selective Readiness: Band 3 – Borderline Selective
Summary Insight:
Aishini Vuppala is demonstrating strong readiness across key areas. **Reading** is currently a strength, while focused improvement in **Writing** can significantly improve competitiveness.
While the overall score is competitive, improvement in Writing is required for higher-tier selective schools.

Target School Guidance (Indicative Only)

Based on current performance:
Competitive Range:

- Local / partially selective schools
- Lower competition selective schools

Recommended Next Steps

- Focus on improving Writing depth and expression.
- Strengthen advanced Thinking Skills performance.
- Maintain strong Reading and Mathematical Reasoning results.
- Continue regular full-length mock tests under exam conditions.

Suggested Preparation Timeline: 6 to 9 months of structured practice

This report provides indicative guidance based on Gem Kids Academy internal assessment standards. Final placement outcomes are determined by official statewide ranking, scaling, and moderation processes.
